Zoutrition
Mizzou’s nutritional resource

Zoutrition is an online tool that can assist you in making wise choices to meet your nutritional goals when dining in Campus Dining Service locations. You will find this tool helpful too:
- Identify and select well-balanced meals
- Confirm the nutritional content of your food choices
- Identify possible allergens and food intolerances
- Select preferences for specific types of diets, such as vegetarian or vegan

Order Online

Order meals from Baja Grill, Bookmark Café, Rollins@Night, Olive & Oil, Potential Energy Café, Mort’s and Sabai using your phone or computer and schedule a convenient pick-up time of your choosing. Quick, easy and convenient, the GET Mobile App is the perfect way to fit lunch or dinner into your busy schedule.
